

Dear Parishioners, Friends of the Cathedral Basilica, and Visitors,

We are grateful for your ongoing attendance for Confessions and Adoration at the Cathedral Basilica during these uncertain times. It is important that we never lose connection with our God, our Savior, and Our Blessed Mother. It is the Holy Spirit will guide us and inspire us each day.

Daily Mass is now available from the Cathedral Basilica on our YouTube Channel.

Your financial assistance makes our ongoing Sacramental Ministries and Social Ministries possible during these challenging times.

Currently, our Weekly Offertory is down by 75 percent. Contributions to our Saint Vincent de Paul Society are also down by 75 percent. We currently have the cash flow to pay our bills through April.

The daily assistance provided by our Breakfast Sandwich Line, the midday Pantry for groceries, and afternoon Snacks on the Hill have been growing this week... nearly doubling in the morning.

Our St Vincent de Paul Society has had to cease assistance for weeks at a time.

The needs are growing as the options for those individuals, households, and families diminish.

**WE NEED YOUR HELP TO CONTINUE TO SERVE GOD'S CHILDREN...PLEASE HELP!**

May God

for all the  
good YOU  
DO FOR  
OTHERS...

Blessings,  
Father Ron
